

Activating life and death through your mouth.

By Pastor Malton Cassim

Mark 11 : 23 (KJV)

Your mouth is more than just for eating, it has been given to you to speak the purposes of God. God is not responsible for what comes out of our mouths but there is a spiritual law that whatever you speak will either give place to the devil or God. The devil advances his plans with our foolish words of doubt, unbelief ect. God also advances his plans with His word that we speak.

The bible says, *"Life and death are in the power of the tongue and they that love it shall eat the fruit thereof"* *Proverbs 18:21*
The power behind what your tongue speaks is backed up either by satan or God. You would notice that the atmosphere around your life whether bright or dark had a lot to do with your words.

Jesus taught that what we have in life is determined by what we say and not so much by what God says.

"For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith".
Mark 11:23

Notice what He said, *"He shall have whatsoever he saith"* We've been having what we say and many times we wondered why we're in certain situations. Many situations are self imposed and not God imposed. Isn't that an interesting thought, to think that your life has been conditioned by your words. Activate life today by speaking the word and not death by speaking idle words.
